11 PLAYERS SIGNED BY L.A. LAKERS

Contract signing of all 11 members of last year's western division championship team was announced today by Los Angeles Laker general manager Lou Mohs.

The 11 signed to Laker contracts are Elgin Baylor, Jerry West, Rudy LaRusso, Gene Wiley, Roy Ellis, Jim King, Dick Barnett, Don Nelson, Walt Hazzard, Darrall Imhoff and Billy McGill.

This will be Baylor's eighth year with the Lakers. He has scored 14,801 points in regular season play and 2,264 more in playoffs and all-star games. He has been first team all-pro for each of his seven seasons in the NBA.

West begins his sixth season in Los Angeles, after finishing last year as the second best scorer in the league and making first team all-NBA for the fourth straight season. West's playoff scoring heroics boosted his point total to 10,802 points as a pro, 9,543 of these in 356 regular season games. He also ranked among the NBA leaders in field goal percentage, freethrow percentage, and assists.

Redondo Nabs 2nd Half

Redondo won the second half of the West Coast Slo-Pitch League title by splitting a doubleheader with Los Angeles Friday night. Redondo won the first game, 3-2, then dropped the nightcap, 3-1.

El Segundo was beaten twice by Gardena, 2-1 and 10-2, to drop out of the championship race.

Redondo finished with an 11-3 record, followed by Torrance Tappa Keggas and El Segundo with 10-4 marks.

Tappa Keggas won the first half with a 9-3 record. Winners of the two halves—Torrance and Redondo—will play a two-out-of-three game series during the coming weekend for the league crown.

A meeting will be called by League President Bob Atkinson of the Redondo Recreation and Parks Department to decide the place and dates of the games.

Tappa Keggas finished its regular schedule with a double forfeit victory over San Pedro Friday night.

Coach Hal Chauncey's "Gang from the West" staged a holdup in the third quarter and rode out of town with a 12-7 win over the East in the pioneer All-Star Charity Football Game at the El Camino corral Thursday night.

Clubs Merge

A squad of 40 men and 29 women swimmers from the southland will be prime favorites to score heavily in the joint 1965 National AAU Men's and Women's Swimming Championships to be held at Maumee.

SOUTHWOOD'S BEST TOURNAMENT TEAM . . . Won its first Little League District 26 championship and defeated Torrance and El Segundo American Little Leagues in sectional games this week. Members of the team are (front row left to right) John Medeiros,

Randy Young, Fred Schwind, Terry Smith, Steve Padrnos, Bill Fick, and Richard Bongard. Second row—Manager Tom Smith, Ed Morgan, Mark Kronar, Ken Haston, Bill Kolodziejczak, Charley Burpo, Mark Davis, Larry Farrah, and Coach John Ruzicki.

Albacore Beginning To Arrive

The albacore arrived at the 43 Mile Bank—just a short hop of 5 hours from Newport—and another school has been found off Pyramid Head at San Clemente Island.

The catches are building up daily with light loads of fishermen the mile so far. Fish and Game expert Bill Craig reports the biggest "herd" of albacore is still on the way in. Right now the fish are 300 miles offshore on a line with the California Oregon border in perfect purple-blue water, ideal temperature and plenty of food. As soon as the closer-in water clears, they are expected to come within range of the sportfishing fleet.

Albacore have been caught southwest of the Columbia River in Oregon and off Morro Bay, indicating there are albacore scattered the entire length of the Pacific Coast.

Meanwhile, back along the shoreline, the "red tide" has taken over once again and put a slight crimp in local fishing.

Big schools of bonito are romping in the channel just outside of the red stuff. And the bass—the mainstays of the half-day boats—are still eating well despite the adverse condition.

Newport Bay fishing continues at a better than average level. Yellowtail and spotfin croakers are still going for "Ghost Shrimp" (crawfish) as are bass and halibut. Skiff fishermen also connecting with small barracuda and bonito as well as a few sea trout. The feather-trollers are also bringing in their daily bag of spotted and sand bass.

FIVE VICTORIES Southwood Hurdles Tournament Barrier

By HENRY TURKE
Press-Herald Sports Editor

Consistently Southwood Little League has had good tournament teams since it was founded by Ray Tibbens in 1958.

It wasn't until 1962, however, that the "all-stars" finally won one of the popular post-season contests. It was North Redondo, 6-3, and Pacific, 4-0, who Southwood beat that year before losing a well-remembered 1-0 game to Rolling Hills, the team that eventually went to the Western Regionals at Vancouver, B.C.

Southwood's climb to the district semi-finals that year was the league's best record until Cardinal manager Tom Smith took over this year's club and directed it to an easy district title.

Southwood drew a bye in the first round, then went about blanking Silver Spur, 7-0, and Central Redondo, 5-0. The district finale was won against Pacific, 11-4.

One of the rarities of Little League tournament play is when a team wins a game while using three pitchers, particularly when two were used in a previous game.

But Southwood used Randy Young and Mark Kronar against Pacific, then came back with Fred Schwind, Charley Burpo and Mark Davis to beat Torrance American, 5-2.

The team's fifth victory

came against a sturdy El Segundo American Little League team in the sectional playoffs at Fullerton Thursday, 2-1.

The game had several heroes, including pitcher Kronar whose grandmother had passed away in the morning. Kronar pitched his way out of four tight jams, getting help from this little catcher

Browns Beat College Stars In Chicago

Fullback Jim Brown and Quarterback Frank Ryan led the Cleveland Browns to a 24-16 win over the College All-Stars Friday night at Chicago.

Brown garnered 149 yards in 22 carries and Ryan threw for 129 yards, including a 10-yard TD pass to Gary Collins.

Injured in the game was starting All-Star QB Roger Stauback of Navy and Paul Warfield of the Browns.

Rams, Cowboys Play Saturday

The Los Angeles Rams open their 1965 football season in the Los Angeles Memorial Coliseum next Saturday night against the Dallas Cowboys.

Golf Show

The first annual Southern California Golf Show will open a five-day spectacular at Dodger Stadium Oct. 13, when all phases of golf activity will be brought together in a mammoth event.

Featured will be the world's largest hole-in-one accuracy contest. Sixteen elevated tees will be built behind home plate on the stadium's second level, where contestants can hit for greens in the outfield approaching two 180-yard holes and two 140-yard holes.

TWO PLATOON SYSTEMS . . . In football are known to be confusing. Action occurred in the West's 12-7 win over the East in the West Torrance Lions Club all-star game at El Camino Stadium Thursday. (Press-Herald Photo)
